When Covid 19 grounded IMB missionary Caron Johnson from travel within Brazil, she had the idea to launch virtual English classes so that Brazilian believers would be able to minister effectively, both locally and globally. She used curriculum based on the Gospel of Mark, preparing students to use what they were learning in their English classes as a ministry platform to share the Gospel in their community. Pray that Brazilian believers will use their new language skills to share Jesus.

*All Scripture is inspired by God and beneficial for teaching, for rebuke, for correction, for training in righteousness; so that the man or woman of God may be fully capable, equipped for every good work.*  
2 Timothy 3:16-17
