### Fukuoka (foo-koo-OH-kah), Japan

Praise the Lord for His leading and for allowing the new fellowship group to start last month within the Atagohama community of Fukuoka! This is a community of 2,000 households with no church. The majority of the people are still lost. Missionaries are working with the identified Christians in the community. A Japanese Christian family has offered their home for the gathering of this fellowship. Pray for the Lord's blessings on this group. Intercede for the spiritual growth of the local Japanese Christians, and ask for the Lord to provide opportunities for them to utilize their spiritual gifts to serve the community and share a gospel witness at the community center and throughout the community. Pray also for Yuki-san to be baptized this year. She prayed to receive Christ a year ago but was concerned about her husband, who is a nonbeliever and a harsh man. Pray for God's protection and perfect arrangements for her baptism.
