MISSION MOMENT

Christians living in Nigeria face some of the worst acts of persecution in the world. At least 17 Christians are killed every day simply because of their faith.

"Once you are a Christian in Nigeria, your life is always at stake," said a Nigerian believer identified as Manga, whose father was beheaded by Boko Haram. "[But] it's not like we have anyplace [else] to go; we have no option."

One of the ministries combating the darkness of Nigeria (and other African countries) is Heart Transformation under the direction of Keith and Karen Peterson who reside in our community. The purpose of this ministry is to make disciples who live in the power and presence of God, desiring to love the Kingdom life and transforming their communities, raising up new lives in Christ. Their website is

for more information or ways you can pray for this ministry.
