IMB missionary Josh Oakes tries to take each and every opportunity to bring the powerful message of the gospel into daily encounters. He calls these opportunities "gospel hooks". Small talk about the weather? Josh introduces God as the creator and sustainer of life. A comment about politics? Josh sees an open door to talk about mistakes people make and our need for a Savior. He listens to see if people are searching for the truth or if they are closed and uninterested... allowing him to see where God is working in peoples hearts. "Time is our most valuable resource, so we want to be intentional to engage in these spiritual conversations"

For we are a fragrance of Christ to God among those who are being saved and among those who are perishing. To the one an aroma from death to death, to the other an aroma from life to life. And who is adequate for these things? For we are not like many, peddling the word of God, but as from sincerity, but as from God, we speak in Christ in the sight of God. 2 Corinthians 2:15-17
