MISSION MOMENT

On March 7th, Arkansas Baptist Disaster Relief (ABDR) sent teams to Texas to aid areas impacted by wildfires ravaging the state. The wildfires in the Texas Panhandle have left at least 2 people dead, burned more than a million acres of land and killed thousands of animals. The teams will be focusing on ash out, sifting through the ash to help families and individuals locate valued items that survived the fires. Please continue to pray for those impacted in the days ahead and for all Disaster Relief volunteers. The wildfires are the largest in Texas history. For more information on serving with Arkansas Baptist Disaster Relief go to <https://abscdisasterrelief.org>.
