MISSION MOMENT - REFUGEES IN UGANDA

Not many years ago, it was uncommon to hear of a Christian from a particular Sudanese tribe, but now there are at least 100 new believers from that tribe who have been arriving in our area for the past nine months! These believers have suffered through fleeing the most recent war and experiencing persecution from their Muslim family and friends. Would you pray for these men and women who are hungry to hear biblical truths and grow in their walk with the Lord? Would you pray for our Borderlands Team as we offer trauma healing, discipleship classes, skills training, English as a Second Language, and theological education? Would you pray for the hundreds more who have also fled to our city and are still holding fast to Islam?
