MISSION MOMENT - Anthony & Misti Shelton

In a recent update from Uganda Baptist Seminary, Anthony and Misti Shelton (LOBC's IMB missionaries) sent thanks for our prayers. They also sent a link to read about a recent story of God's faithfulness in the life of a colleague, Rebekah Lockhart. Rebekah began feeling intense exhaustion while serving in Uganda and was diagnosed with leukemia. "Cancer is shocking period," she said. "But coming from complete health and in my early 40s, it was even crazier." See QR code below to read her story. They also shared a recent newsletter (see link on our website) or contact the church office @ lobc@windstream.com to receive the newsletter via email.
