If you would like to write a note with a Bible verse to encourage the residents of either the Assisted Living or Nursing Home. You can sign your name or the church's name. You can include several notes in one envelope. Please let the Activity Director know that the notes are from LOBC and can be distributed as needed. The note does not need to be addressed to an individual (unless you want your note to be given to someone specific). Please consider including a note to the staff too as they so lovingly care for others.
